

#5293

Walking Distance to the Sea, Agricultural Field, €250,000 Softades Village, Larnaca District

 Softades, Larnaca

This empty agricultural field is walking distance from the beach, located at the beautiful Village of Softades. It has a direct access to a public registered asphalt road, with a north orientation on the Kiti - Zygi connecting road. This property have access to a water supply and electricity. Close proximity to the centre of the village of Kiti and just 1.2 klms from the coastal line of Caretta Beach. The property has a rectangular even shape, a good agricultural soil, even land topography and ideal for a house (under conidiations).

Area

 12252 m²
