

Spacious Residential Building Plot in Oroklini

€210,000

 Oroklini, Larnaca

Positioned in the peaceful village of Oroklini, this generous 602 m² residential building plot presents an outstanding setting to design and build your custom home or private retreat. Available for 210,000 EUR the land provides an ideal blank canvas with ample space for an expansive layout, outdoor entertaining areas, and a private garden.

Whether you envision a striking contemporary villa with a swimming pool or a welcoming Mediterranean residence, the generous dimensions accommodate creative architectural design and seamless indoor-outdoor living. The plot offers the space and flexibility required to incorporate sun-drenched verandas, tailored landscaping, and secure private parking.

Situated in a sought-after residential setting, Oroklini offers a relaxed village atmosphere combined with genuine daily convenience. It provides a peaceful backdrop for family life while keeping regional transport links and neighborhood amenities within comfortable reach.
